Invisible Thread

An invisible thread,
Drawn together by love.
Always in my head,
God's gift from above,

I am drawn to car for you,
Even when I am sad.
You make my heart anew,
My forever comrade.

Through troubles and doubt,
You're supportive and kind.
You shown me life's route,
And gave me peace of mind.

Your my mother my love,
Always there for me.
Peaceful as a dove,
You fill me with glee.

You always have my back,
Even on the hardest day.
Anger is something you lack,
I wouldn't want it any other way.
