Invisible Thread Poem

I love you forever and no-matter what.
You help me get out when I'm in a rut.

You give me lots of TLC.
Without you in my life, I wouldn't be me.

We're connected by an invisible thread.
We think alike in the heart and the head.

You are my mom, so loving and kind.
When I think of love, you're in my mind.

You cheer me up when I am sad.
You make me happy when I am mad.

When my skies are gray, you turn them blue.
I don't know what I would do without you.

You are there when I need light.
You are with me day and night.

Even when not physically,
You are always in my heart with me.
