You were there since the day I arrived
You are always by my side...especially
When I need you the most,
No one can replace you,
I will love you forever,
No matter what,
You are my invisible thread,
You are my loving Mom,
You cheer me on when I am in need,
Sports, grades,
You are beautiful, caring and sweet,
You are something that no one can replace,
When I call your name you always answer me,
When I fall I will get back up,
Cause I know you want me too,
Thank you for all that you do!!!!!!!!!!!!!!!!!!!!
